

Spring Road Evangelical Church Houseparty

Hebron Hall, Dinas Powys, nr Cardiff: August 15-22, 2020

Dear Friend

This summer's Houseparty will be at Hebron Hall, Dinas Powys, near Cardiff. The Houseparty is a time where believers, and friends interested in Christian things, can share in a time of a relaxation and spiritual blessing. Each day starts with a meeting for ministry from the word of God.

This year's speaker: Pastor Jonathan Stobbs (Penzance)
Subject: 'Man of Sorrows! What a name!'
Messages on the Titles of Christ

We also have informal times of prayer and testimony in the evening, after which people especially enjoy social times, where they can meet together and enjoy a cup of tea or coffee. During the week we organise some team challenges for those who enjoy competitive team games. Some are played from an armchair, whilst others involve more activity. It's low-key, but fun all the same.

Hebron Hall is within easy reach of many varied and interesting attractions found in South and West Wales. It gives plenty of scope for our 'group outings', but also there's lots to see for those who want to explore by themselves.

The Houseparty is suitable for young people, families and older ones too. We are especially glad to have a mix of people of all ages. Many people come from our own church, but we greatly appreciate the fellowship of friends from other like-minded reformed churches, many of whom return year after year.

Situated near beaches and the mountains of Wales, Hebron offers excellent facilities with all en-suite rooms, modern lounges, conference and dining facilities, games and crèche rooms and a heated indoor pool.

Please consider if you would like to come to this year's Houseparty. Please ring 07596 273784 or email info@springroad.org.uk if you would like some more details.

With Warm Christian Greetings
