## Overcoming the World

God has put Christians in the world, yet as God's people we are not to be of the world. What does this mean? What is the world and how do we overcome the world in these days, when there is tremendous pressure to conform to its ways. What must we specifically avoid and how do we overcome? What blessings are there to be known?

**3pm: Pastor John Saunders: Our Relationship to the World:** God's view of the world; God's purposes in the world; The Christian's role in God's purposes in the world.

**5pm: Pastor Oliver Wyncoll: A Particular Battleground: The Influence of Social Media:** What is social media? It's advantages, disadvantages, dangers and pitfalls; What does the Bible teach about all forms of communication; How should we respond to this new technology with a Biblical Christian worldview; The vital need for accountability in the use of social media.
